

## 2018-19 TNReady Mathematics Grades 6-8 Assessment Fact Sheet

### Mathematics Assessment Overview

This fact sheet provides information about the TNReady mathematics grades 6-8 assessments. The mathematics assessments will assess the Tennessee Academic Standards through measurement of student mastery and will require students to demonstrate a deep conceptual understanding of mathematics, number sense, fluency, problem solving, and understanding of the grade-level horizontal coherence embedded within the standards. The math assessments are administered in three subparts, the first of which is **without** a calculator.

### Performance Levels and Scale Scores

Student performance on Tennessee’s statewide assessments is categorized into four performance levels.

Table 1 provides information regarding student achievement at each performance level for the TNReady Math tests. This information is provided on student reports so that students, parents, and educators may interpret student results in a meaningful way.

**Table 1. Performance Levels**

<b>Level 1 (Below)</b>	<b>Level 2 (Approaching)</b>	<b>Level 3 (On-track)</b>	<b>Level 4 (Mastered)</b>
Performance at this level demonstrates that the student has a minimal understanding and has a nominal ability to apply the grade/course-level knowledge and skills defined by the Tennessee Academic Standards.	Performance at this level demonstrates that the student is approaching understanding and has a partial ability to apply the grade/course-level knowledge and skills defined by the Tennessee Academic Standards.	Performance at this level demonstrates that the student has a comprehensive understanding and has a thorough ability to apply the grade/course-level knowledge and skills defined by the Tennessee Academic Standards.	Performance at this level demonstrates that the student has an extensive understanding and has an expert ability to apply the grade/course-level knowledge and skills defined by the Tennessee Academic Standards.

Performance level scale score ranges for TNReady math assessments for grades 6-8 are provided in Table 2 below.
