We will be using the EOC scores for final exams this year. Those students will only be here for tests if they are on the IAC list, the detention list, or the alternative school list. (It will be for a daily grade)

There will be no exemptions in the year long Algebra 1 and Algebra 2, or Geometry Classes (taking CASE Benchmarks)

If a student has an A average , they can be exempt.

If a student has missed one day or less and has a passing average, they can be exempt.

If a student is exempt but wants to take the final to improve their grade, it can only help.

If a student has been in detention, iac, or alternative school this semester; they must take all final exams.
